Unassigned Budget

Top 5 Contractors by Project Cost

Remarks:

- **High project count** - Bulacan shows **161 projects** in 2022, far higher than most provinces in the same region.
- **Unusually fast average TAT** - The reported **8.8 months** average turnaround time is unusually very fast for infrastructure projects of this scale, especially with ₱10.42bn in approved budget.
- **Unassigned FCP contractor gap** - Out of **11,757** Flood Control Projects, **2,015 (15.6%)** remain without contractor assignment, representing **₱162.52bn** in budget allocation. These projects show **near-zero completion progress**, indicating that a significant portion of FCP works are pending mobilization.
